**The Music of Carl Philipp Emanuel Bach**  
**Supplement 7.1. Bach's Output by Genre During His Berlin Years (table)**

The table below shows how Bach's output changed after 1750. Parentheses indicate "renovations." **Bold type** indicates the category containing the greatest number of works in each year. Not tabulated are arrangements and alternate versions, nor unpublished keyboard pieces and other smaller compositions for which NV gives no date of composition. Because NV also does not give dates of composition for most songs and other smaller pieces, these are counted according to their dates of first publication.
