

David Schulenberg
The Music of Carl Philipp Emanuel Bach
Supplement 7.2. Bach's Publishing Projects, 1753–68

Tabulated below are Bach's publications during his last fifteen years at Berlin. As with other such lists, the numbers alone convey limited information, but they provide some idea of the extent of Bach's publishing activity. The list includes volumes limited to Bach's own music as well as significant groups of compositions published in anthologies. Except as noted, works were composed within a few years of publication and are for solo keyboard.
